ISSUE DATE: 01-06-2025

ACADEMIC INTEGRITY & PLAGIARISM POLICY

Purpose

To promote honesty, originality, and ethical scholarship.

Policy

Students, mentees, researchers, and faculty shall:

- Submit original work
- Properly cite all sources
- Avoid plagiarism and academic dishonesty
- Maintain integrity in research and publications

Plagiarism Threshold

Similarity index limits shall be determined according to institutional and journal standards.

AI Usage

Artificial intelligence tools may only be used ethically and transparently.

Violations

Violations may result in:

- Rejection of work
- Suspension from programs
- Withdrawal of certificates
- Reporting to relevant authorities
